MARKET LEADING QUALITY FROM WABCO

- Recognised OE supplier for over 30 years
- A global market leader in passenger car compressors
- Used by almost all major OEMs
- Over 3.75 million units installed
- Top quality reliable genuine parts
- Wide range of variants

Increasingly the luxury car and SUV vehicle makers are turning to air suspension, thanks to its ability to combine increased comfort and optimum ride height whatever the terrain or driving situation.

WABCO is the market leader in compressors for passenger car air suspension systems, with more than 3,750,000 units installed by all major car makers. WABCO compressors are fitted as original equipment in a wide range of top class SUVs, premium passenger cars and high-end luxury limousines worldwide.

The compressor is the heart of the air suspension system, pumping air up to a maximum system pressure of 17 bar. It operates oil-free, without maintenance, and is specified to last for the vehicle's whole lifetime. However, in system failures such as leakages or water ingress, the compressor may need to be replaced.

A COST-EFFECTIVE, PLUG AND PLAY SOLUTION FOR YOU AND YOUR CUSTOMERS

WABCO now offers its compressors as stand-alone spare parts for a number of applications. As a result, in case of compressor problems your workshop will no longer be obliged to exchange the complete air supply unit. Instead you can offer a lower cost repair solution with genuine parts that will:

- Bring new customers to your workshop
- Extend business opportunities for dealers

For more information about how WABCO compressors for passenger car air suspension systems can boost your business, contact your WABCO representative today.

WABCO (NYSE: WBC) is a leading global supplier of technologies and control systems for the safety and efficiency of commercial vehicles. Founded nearly 150 years ago, WABCO continues to pioneer breakthrough electronic, mechanical and mechatronic technologies for braking, stability and transmission automation systems supplied to the world's leading commercial truck, bus and trailer manufacturers. With sales of \$2.5 billion in 2012, WABCO is headquartered in Brussels, Belgium. For more information, visit: www.wabco-auto.com
